## POLICY INFORMATION

### ABOUT YOUR CONTRACT OF INSURANCE

This policy wording and the **policy certificate** form a contract of insurance between the underwriters, Collinson Insurance and those people specified on **your policy certificate** and must be read together. Please check **your policy certificate** carefully to ensure the cover **you** have purchased meets **your** needs. This contract is only valid when **you** have a valid **policy certificate** and have paid the appropriate premium.

Both **we** and **you** are entitled to choose the law applicable to the insurance. **We** propose English Law and in the absence of any agreement to the contrary, English Law will apply.

This policy is insured by Collinson Insurance. Collinson Insurance is a trading name of Astrenska Insurance Limited who is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority. Their Financial Service Register Number is 202846. These details can be checked on the Financial Services Register website [www.fca.org.uk](http://www.fca.org.uk).

### CANCELLING OR AMENDING YOUR POLICY

Please tell **us** as soon as **you** are aware that **your** policy does not meet **your** needs. If **you** cancel within 14 days of the receipt of **your** documentation and **you** have not started a **trip**, made a claim, or intend to make a claim, **we** will give **you** a full refund. If **you** cancel outside of the 14-day cooling-off period, no premium will be refunded.

However, discretion may be exercised in exceptional circumstances to provide a refund for unused cover, those exceptional circumstances being bereavement or an unexpected change to **your** policy resulting in **us** being unable to continue covering **you**. The unused premium will be calculated on a sliding scale basis as follows:

#### Refund scale outside the 14-day cooling off period for exceptional circumstances only

##### Single Trip Policies Before Travel

75% refund

No refund can be given once a **trip** has started.

**We** may cancel **your** policy by giving **you** 14 days' notice in writing, if this happens, **we** will refund the unused premium in line with the above scale and advise **you** the reason for the cancellation. Reasons can be (but not limited to) **you** failing to pay the full and correct premium, or if **you** do not meet the Medical Health Requirements or residential eligibility. Once **your** policy has been cancelled **your** cover will end and **you** will not be able to make a claim.

### FRAUD

If a claim is found to be fraudulent in any way, including use of fraudulent means to obtain any benefit, this policy shall become void meaning it no longer exists from the date of the fraudulent claim and the premium paid will be lost. Any benefits received by **you** for any claim found to be fraudulent, must be repaid to us. **We** may inform the police or the appropriate authorities of the circumstances.

### TRAVELLING COMPANIONS NOT INSURED WITH US

There is no cover under this policy for any costs or expenses for a person not insured by this policy. For example, if **you** pay for someone else's accommodation and have to cancel the trip. **You** won't be able to claim for 'the person who **you** are travelling with' accommodation costs.

### RESIDENTIAL ELIGIBILITY

To be eligible to purchase this policy **your home** address must be in the **UK** and **you** must be registered with a General Practitioner in the **UK**.

### PURCHASING AFTER YOUR TRIP HAS STARTED

If **you** are traveling solely within the **UK**, **you** cannot purchase a policy after **you** leave **home** to start **the trip**. If **you** are travelling outside the **UK**, then it is possible to purchase a policy up to the point **you** board **your** transportation for **your** international departure. However, if **you** are aware of a reason to make a claim at the time of purchase, **your** claim will not be covered.

## AUTOMATIC POLICY EXTENSIONS

If **you** are unable to return **home** as planned due to a reason covered by this policy, **your** cover will automatically extend until **you** are able to return **home** or until **you** are admitted to a hospital or medical facility in the **UK**.

When **your** return is delayed by an insured reason other than a medical emergency, cover is only extended until travel arrangements can be made to return **home**. All cover will end under this policy if **you** choose not to return **home** as soon as **you** are able to.

## WHEN COVER STARTS AND ENDS

### Backpacker & Longstay Single Trip

From the time of buying this insurance to the time **you** leave **home** to start **your trip**, cover is only available under Cancelling **Your Trip**. Once **you** leave **home** to start the **trip**, Cancellation cover ends, and all other sections of the policy, begins.

Cover under all sections of the policy apart from Cancelling **Your Trip**, ends:

- At midnight on the end date shown on **your policy certificate** even if **you** have not returned **home**. Or
- When **you** return to **your home** address in the **UK** even if this is before **your** booked return date. Or
- Upon **your** admission to a hospital or medical facility in the **UK** if **we** are repatriating **you home** under Section B2 & B3 Emergency Medical Expenses, or if **we** require **you** to return **home** early for medical reasons. Cover ends even if this is before **your** booked return date, or before **your trip** is due to end.

## DECLARING EXISTING MEDICAL CONDITIONS

This policy does not automatically provide cover for medical conditions **you** are already experiencing when **you** purchase this policy or have experienced in the past. Please review the Medical Health Requirements and ensure **you** answer the Medical Screening questions fully and accurately for everyone insured on the policy.

## SUMS INSURED AND EXCESSES

Each section of the policy has a limit on the amount **we** will pay for each insured person, called the sum insured. Claims under most sections of the policy will be subject to an excess. The sums insured, inner limits and excess amount for each section are set out in the Cover Table. Please check the Cover Table against **your policy certificate** to ensure the level of cover **you** have purchased meets **your** needs.

Excesses apply for each claim logged with **us**, for each section of the policy **you** are claiming under and for each **insured person** who is making a claim. When **we** are settling a claim directly with **you**, **we** will deduct the excess from the claim payment before **you** receive it. Where **we** are settling claims directly with a medical provider or other supplier, **you** will be responsible for paying **us** the excess. Unless **you** have purchased and paid the appropriate additional premium for an Excess Waiver.

## UPGRADES / POLICY EXTENSIONS

The following upgrades are available to be purchased for an additional premium:

- |                    |                           |  |

The area **you** have selected to buy confirms the country/location **your** policy is valid for. Cover under this policy is not valid if **you** travel to an area that is higher than the area **you** purchased. - **Compensation while travelling.** Regulations exist to assist and compensate **you** when delays occur **with air travel**. Regulation EU261 for example offers protection when **you** are travelling on a European based airline or with any airline in Europe. Please approach **your** airline as soon as **you** are aware of a delay impacting **your** flight. If **you** miss **your** departure, have problems connecting or need to cut **your trip** short, **you** should also check with **your travel provider**, (if **you** booked with a tour operator the Package Travel Directive, in most circumstances offers **you** financial/non-financial assistance) to discuss if they will arrange and compensate **you** for onward travel.
- **Essential Travel / Foreign, Commonwealth and Development Office (FCDO) travel advisories.** From time to time the FCDO will advise to only undertake *essential* travel to a particular destination. If **your trip** is not essential and **you** choose to travel contrary to the FCDO’s advice, **we** will only cover a claim if the cause is not linked to the reason for the advice. This limitation applies even if **you** have purchased a Natural Disaster & Terrorism Extension upgrade. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see Government Restrictions below). If the FCDO have advised against all travel to **your** destination, there is no cover under this policy apart from the Cancelling **Your** Trip section in the Natural Disaster & Terrorism Extension Optional upgrade.
- **Knowing your trip would be disrupted.** There is no cover if **you** bought this policy or booked **your trip** (whichever is last) when **you** were aware **your trip** would be cancelled or disrupted. For example, **you** buy a policy/book a **trip** after the FCDO announce against travelling to **your** destination or after the media announce air traffic control are striking at the time **you** will be travelling.
- **Government restrictions.** Apart from Cancelling **Your** Trip base section, there is no cover under this policy where the claim is the result of a regulation, or action of a government restricting travel such as locking down an area, out-lawing travel, shutting borders or revoking visas. This exclusion applies regardless of such restrictions not being in place at the time **you** booked the **trip**. This does not include governments putting health checks or medical testing requirements in place. Please refer to the exclusions listed under each section.

Medical cover does not automatically apply when **you** take part in certain sports and activities. If **you** are taking part in winter sports, **you** must purchase a Winter Sports Policy. For other sports and activities please check the Sports and Activities section of this policy on page 29-30 to see if cover applies.

### IMPORTANT INFORMATION

- **Medical Health Requirements.** This insurance does not automatically provide cover for medical conditions **you** are already experiencing when **you** purchase this policy or for conditions **you** experienced in the past. Please review the Medical Health Requirements on page 6.
- **Emergency Cover.** This policy is not private medical insurance; **we** cover treatment which cannot wait until **you** return **home** from **your trip**, with the aim of ensuring **you** are well enough to return to the **UK**, which may include cutting **your trip** short, or to continue **your trip** as planned.
- **Medical Treatment.** Cover applies if **you** are receiving medical treatment for a symptomatic illness or an injury. There is no cover if **you** test positive for a disease but require no medical treatment.
- **Essential Travel / Foreign, Commonwealth and Development Office (FCDO) travel advisories.** From time to time the FCDO will advise to only undertake essential travel to a particular destination. If **your trip** is not essential and **you** choose to travel contrary to the FCDO's advice, **we** will only cover a claim if the cause is not linked to the reason for the advice. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see Government Restrictions below). If the FCDO have advised against all travel to **your** destination, there is no cover under this policy apart from the 'Cancelling **Your Trip** Section in the Natural Disaster & Terrorism Extension optional upgrade'.

If **you** do not contact **us** as soon as **you** are aware of **your** admittance and this causes **our** costs to increase, **we** will only pay for the costs **we** would have paid if **you** had contacted **us** straight away. Additional transportation or accommodation costs are only covered when they are pre-authorised by **us**. Telephone number **0333 005 1093**.

The **medical practitioner** will send the form to Global Excel together with the balance of the medical bill after  deduction of the excess **you** may have paid to the **medical practitioner**. The **medical practitioner** can email these details to: [europa@globalexcel.com](mailto:europa@globalexcel.com)
- **Reciprocal Health Agreements. Europe:** If **you** are a United Kingdom resident **you** are entitled to state-provided medical healthcare when temporarily visiting countries in the European Union (EU) only. **You** will have access to treatment at the same cost as residents of the country **you** are visiting. In some countries, state healthcare is not completely free to residents and there may be a cost for **your** treatment. **You** can apply for a GHIC (Global Health Insurance Card) for yourself, partner, and any dependent children under the age of 16. **You** can apply online at [www.ghic.org.uk](http://www.ghic.org.uk). ## READY TO GO?

So, you're all packed and just about ready to go. We have included a check list to help ensure that you haven't forgotten anything!

- **Check that your travel insurance covers the whole duration of your trip and any activities that you plan on trying.**
- **Check your travel documents:**
  - Is **your** passport up to date, and is it valid for a least 6 months after the date **you** are due to come **home**?
  - Make two photocopies of **your** passport, tickets and travel insurance documents and leave one set at **home** (maybe let family/friends know where they are kept in case of an emergency). Take the other set with **you** but keep them separate from the originals.
  - Make sure **you** have important contact numbers in **your** phone just in case.
- **Check with your GP to ensure that you have had any necessary vaccinations and/or medications.**
- **Know your destination:**
  - It is always worth checking out any local laws and customs before **you** get there.
  - Pack a guide book.
  - Check the FCDO website [www.gov.uk/browse/abroad](http://www.gov.uk/browse/abroad)
- **Tell family/friends about your trip and make sure they know where you are going and how to get hold of you in an emergency.**
- **When you are abroad:**
  - Make sure **your** travel documents, passport, money and insurance documents are kept in a safe place.
  - Stick to safe filtered water and keep yourself well hydrated when **you** are out in the sun.
  - Always wear protective sunscreen when **you** are out and about, even if **you** are on the ski slopes! (but make sure the one **you** buy doesn't contain the chemical Oxybenzone as it bleaches the sea coral).
  - Check out local information in **your** guidebook or online so that **you** are aware of any local holidays and nearby public medical facilities.
  - It is always a good idea to keep all **your** receipts just in case **you** need them for future reference.
- **Getting medical treatment abroad**
  - Often the best doctors, treatment and optimal care are found in the regulated state and public hospitals and medical facilities no matter where **you** are in the world. They might not always look as nice as some private facilities, but **we** have seen numerous good clinical outcomes which don't come with the risk of immoral and dangerous practices, extortion, over treatment, detainment and withdrawal of treatment which **we** have seen happen in some private facilities all over the world.
  - Some medical facilities will raise charges that are far in excess of what is customary and reasonable. **We** will deal with such bill directly with the facility and there is no need for **you** to pay them. **You** simply need to pass any and all correspondence about such bills to **us** to ensure **we** can provide financial protection.

## IMPORTANT INFORMATION

- **Where to go first for a refund when cancelling your trip.** This policy is designed to provide a refund of **your** unused **travel and accommodation costs**, at the point **we** are satisfied that these expenses cannot be refunded elsewhere. If **your trip** has been booked or paid for via one or more of the following, **you** must contact them to discuss a refund before claiming from **us**:
  - A Tour Operator.
  - An Airline.
  - Any other travel, accommodation, or service provider.
  - Credit or debit card provider or other payment providers such as PayPal.If **you** are unable to obtain a refund at first (**we** consider vouchers as **you** are receiving a refund) and **we** assess that **your travel provider** is legally obliged to refund **you**, **we** will ask **you** to make a reasonable attempt to pursue payment from them before **we** consider **your** claim.
- **Compensation while travelling.** Regulations exist to assist and compensate **you** when delays occur **with air travel**. Regulation EU261 for example offers protection when **you** are travelling on a European based airline or with any airline in Europe. Please approach **your** airline as soon as **you** are aware of a delay impacting **your** flight. If **you** miss **your** departure, have problems connecting or need to cut **your trip** short, **you** should also check with **your travel provider**, (if **you** booked with a tour operator the Package Travel Directive, in most circumstances offers **you** financial/non-financial assistance) to discuss if they will arrange and compensate **you** for onward travel.
- **Essential Travel / Foreign, Commonwealth and Development Office (FCDO) travel advisories.** From time to time the FCDO will advise to only undertake essential travel to a particular destination. If **your trip** is not essential and **you** choose to travel contrary to the FCDO's advice, **we** will only cover a claim if the cause is not linked to the reason for the advice. This limitation applies even if **you** have purchased an optional trip disruption upgrade. **You** may be able to travel with full cover if **we** authorise in writing that **your trip** is essential before **you** depart. Please note there is no cover under this policy if other government regulations or actions are in place restricting travel (see Government Restrictions below). If the FCDO have advised against all travel to **your** destination, there is no cover under this policy apart from the Cancelling Your Trip section in the Natural Disaster & Terrorism Extension optional upgrade.
- **Knowing your trip would be disrupted.** There is no cover if **you** bought this policy or booked **your trip** (whichever is last) when **you** were aware **your trip** would be cancelled or disrupted. For example, **you** buy a policy/book a **trip** after the FCDO announce against travelling to **your** destination or after the media announce air traffic control are striking at the time **you** will be travelling.
- **Government restrictions.** Apart from Cancelling Your Trip base section, there is no cover under this policy where the claim is the result of a regulation, or action of a government restricting travel such as locking down an area, out-lawing travel, shutting borders or revoking visas. This exclusion applies regardless of such restrictions not being in place at the time **you** booked the **trip**. This does not include governments putting health checks or medical testing requirements in place. Please refer to the exclusions listed under each section.
- **Telling your travel and accommodation provider you need to cancel.** **You** must tell **your travel provider** as soon as **you** know **you** must cancel. If **you** delay, the cancellation charges may increase, and **we** will not cover the additional charges.
